CEANT is the Northern Territory association representing career practitioners in a variety of educational and employment settings. Members include professional members and non-professional members from schools, industry, training organisations and private practice.

CEANT is a not for profit professional association providing quality service to its members and wider careers community.

## CEANT membership benefits include:

1. Links to national and international career associations and organisations including the **Career Industry Council of Australia (CICA)**
2. Access to a network of contacts e.g. employer organisations, tertiary institutions and government agencies
3. Access to the Career Education Association of Victoria (CEAV) online learning community that provides professional support to members
4. Advice, consultancy and advocacy on the variety of career pathways available to Territorians.
5. Access to professional literature
6. Liaison and support for regional career practitioners through video conferencing, teleconferencing and online communications.
7. Regular meeting opportunities for networking, support, exchange of best practice and professional development aligned to the Professional Standards for Australian Career Development Practitioners.
8. Member rates for professional development opportunities including the Festival of Teaching
9. Opportunity to apply for the **Janine Watt Award for Career Development** - \$1000 awarded to a member each year to use for personal career development.

## The Standards:

- Define the career industry, its members and services
- Recognise the diverse skills & knowledge of career practitioners
- Guide practitioner entry into the industry
- Provide a foundation for designing career practitioner training
- Provide quality assurance to the public and other stakeholders
- Establish a professional benchmark against which career practitioners can be assessed
- Require career practitioners to undertake continuing professional development
- Create an agreed terminology for the industry.

The **Core Competencies** are grouped into seven broad areas:

- Career Development Theory
- Labour Market
- Advanced Communication Skills
- Ethical Practice
- Diversity
- Information & Resource Management
- Professional Practice

In order to comply with the CPD requirements of the Standards, CEANT requires Associate members to accumulate a minimum of 15 hours of CPD per year across the span of competency areas. Professional members require 30 hours minimum. The CEANT CPD policy will be issued upon membership registration.
